

The Interim Time

Welcome to the interim time at Hunter Presbyterian Church (HPC). It is a time of change and challenge; a time of energy and excitement; a time to worship together and to pray in quiet solitude. January 2008 brought a new Session (listed below), including three brand new Elders. HPC held it's Annual Congregational Meeting on January 27. The **2007 Annual Report** includes information about your Session Committees as well as a detailed report by Rev. Rene' which addresses the interim time at HPC.

Please take the time to review your Annual Report so that you are aware of the ministry of HPC. If you did not get a copy and would like one, you may pick one up in the Church Office.
